

# SWIBER HOLDINGS LIMITED

Business Update  
26 March 2015

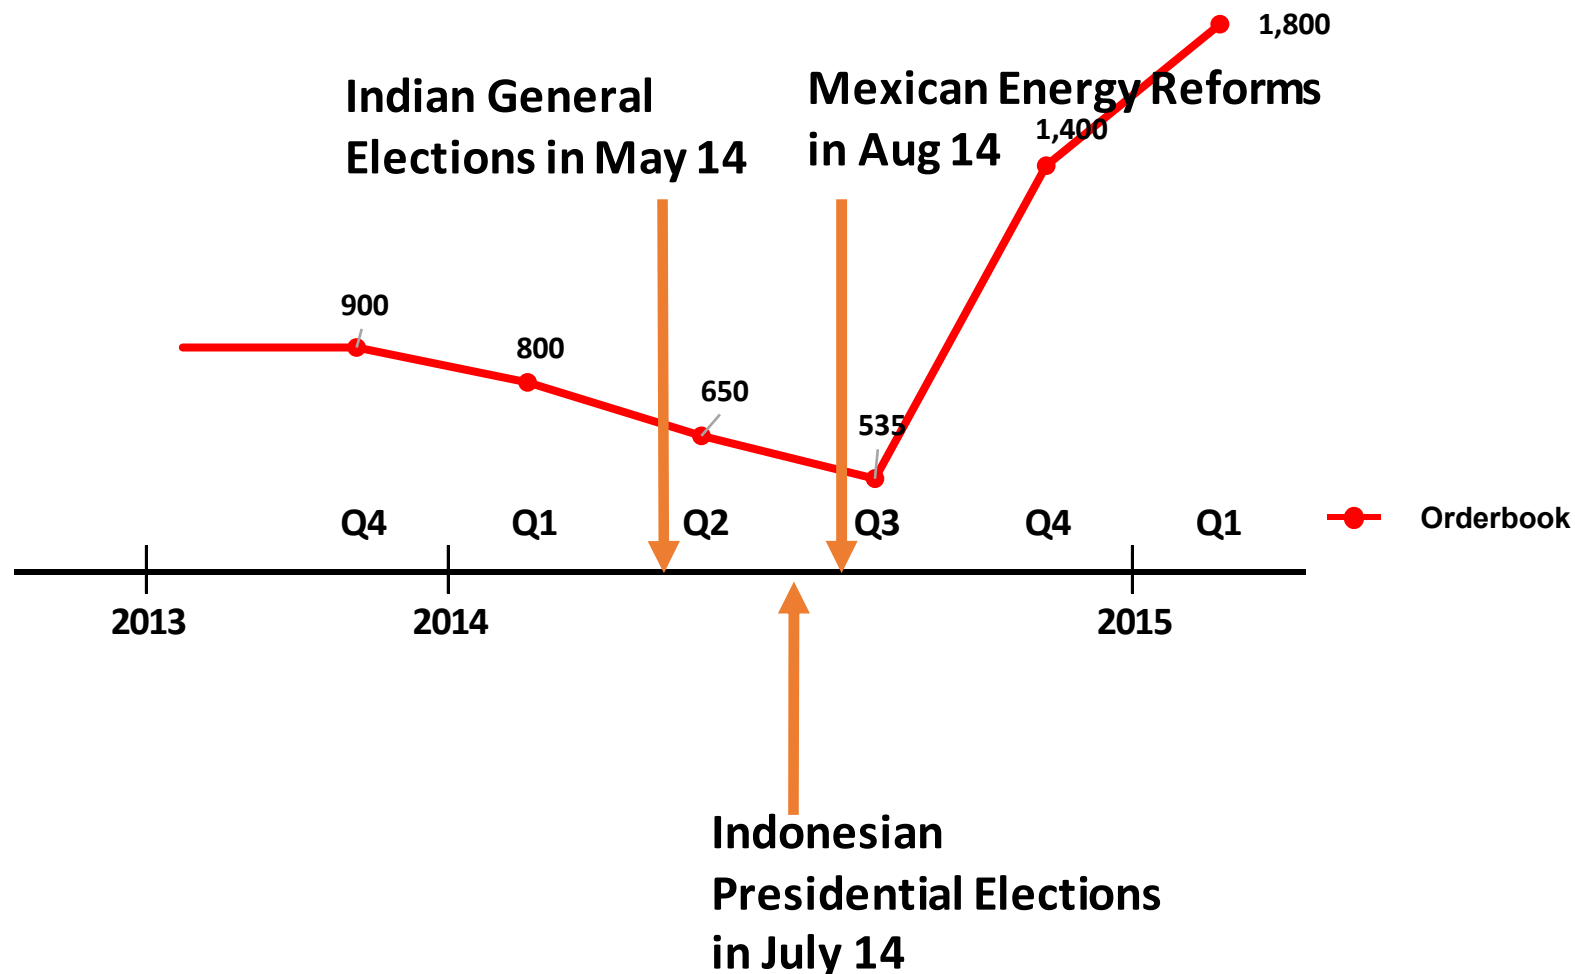

## Business Update

Business momentum has been picking up since the 2<sup>nd</sup> half of 2014.  
Three major new contracts since December

<b>Contract Wins</b>	<b>Markets</b>	<b>Contract Value (US\$ m)</b>
Dec 2014	West Africa	710
Feb 2015	India	310
Mar 2015	India	333

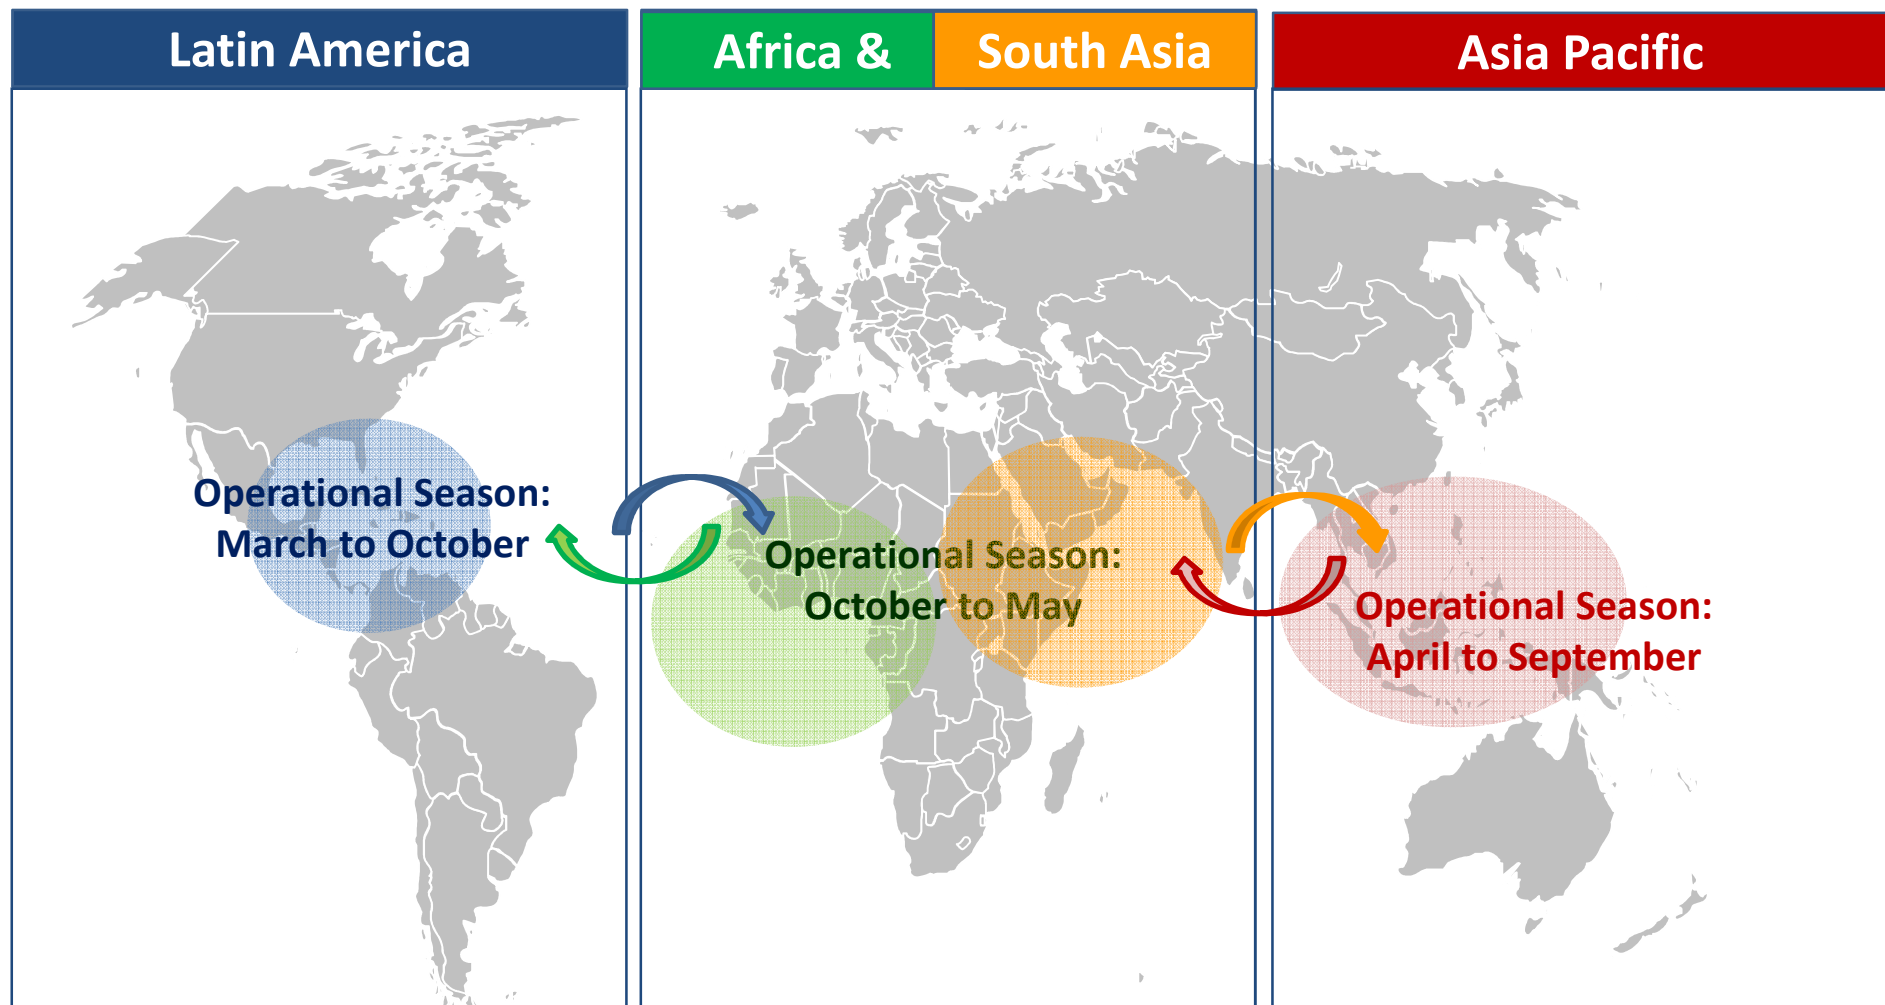

# Post-Election Upturn & Energy reforms in target markets

Post-election upturn in India and energy reforms in Mexico and India continue to benefit Swiber's order book

# Maximizing asset utilization across geographies

Through strategic geographical expansion, we keep utilization rates high, as our marine and offshore construction assets can be mobilized to service regions with opposite weather windows
